Tom Tries  
To Give  
Advice

(By Allman)

TOM, WHAT DO YOU THINK OF THIS? MRS. BAILEY HAD DANNY OVER THERE AND WAS QUESTIONING HIM ABOUT MY AGE!

HE DIDN'T TELL HER DID HE?

HE DIDN'T KNOW, BUT I SENT HIM BACK TO HER AND HAD HIM TELL HER THAT I SAID, I WAS SIXTEEN! I WAS SO MAD!

NOW THERE'S WHERE YOU MADE A MISTAKE!

IF I'D BEEN IN YOUR PLACE I WOULDN'T HAVE SENT DANNY BACK! SHELL THINK YOU ARE SENSITIVE ABOUT YOUR AGE! THINK YOU'RE OLDER THAN YOU ARE - YOU SHOULD STUDY HUMAN NATURE A LITTLE MORE!

YOU'RE NO JUDGE OF HUMAN NATURE

IM NOT? HOW DO YOU KNOW I'M NOT?

BECAUSE YOU HAVE SUCH A GOOD OPINION OF YOURSELF!

## Market News

**NEW YORK, April 29.**—The stock market made further forward strides in the first half of today's active dealings, but the movement became very unsettled later, many of the leaders cancelling the greater part of all of their gains.

This reversal was especially applicable to oils, notably the Mexican issues. That group broke sharply at mid-day on publication of reports vitally affecting the future value of those properties.

Announcement that the books would be closed tomorrow for the Northern Pacific-Great Northern board offering was an influence of sentimental value in the day's developments denoting the success of that important underwriting and bespeaking a better investment demand.

Maintenance of the regular Bethlehem steel dividend was another favorable factor, stimulating the inquiry for steels and equipments, which frequently dominated the market at gross advances of one to three points.

Gains of one to seven points accompanied the intermittent buying of motors and their subsidiaries, especially rubber tires. Leather, food, textile and chemical specialties contributed their proportions in variable degrees, but reactions at the irregular close ran from 1 to 3 points. Sales amounted to 1,135,000 shares.

Call money ruled at seven per cent all day, that circumstance occasioning no surprise in view of yesterday's flurry and prospective May disbursements.

Sterling exchange was firm and all continental rates excepting lire were strong. French and Belgian bills selling at the same levels.

Dealings in bonds were more extensive than at any recent period, the Liberty division figuring largely in the movement, all at material gains. Convertible or underlying rails also were active and moderately higher. Total sales, par value, \$13,750,000.
